COMPANY OVERVIEW

ELB Cleaning Service LLC helps government agencies, contractors, and property managers keep facilities clean and prepare spaces for occupancy. Based in Macon, Georgia, ELB is a certified Woman-Owned Small Business with six years in business and experience supporting housing authority properties, commercial offices, and construction projects.

ELB combines janitorial services with painting, floor care, and light repairs, giving clients one provider for routine upkeep and property make-ready work. A core workforce supported by subcontractors and staffing partners provides flexibility for recurring assignments, project work, and multiple locations.

COMPANY DETAILS

BUSINESS NAME	ELB Cleaning Service LLC
LOCATION	Macon, Georgia
SERVICE AREA	Nationwide availability
ESTABLISHED	2020
CERTIFICATION	Woman-Owned Small Business (WOSB)
REGISTRATIONS	SAM.gov Registered | E-Verify Enrolled
UEI	NLV1FP5SSCV8
CAGE CODE	8SEB6

CORE COMPETENCIES

Commercial & Government Janitorial

Recurring office and facility cleaning, restroom sanitation, common-area upkeep, and move-in/move-out cleaning, with schedules organized around facility operations.

Post-Construction Cleaning

Rough, final, and touch-up cleaning for new construction and renovations, including removal of construction dust, surface residue, and remaining debris before handover.

Property Turnovers & Interior Painting

Coordinated cleaning, wall preparation, drywall repairs, interior painting, and door and cabinet touch-ups to prepare vacant units and commercial spaces for new occupants.

Floor Care & Interior Finishes

VCT floor stripping and waxing, luxury vinyl plank installation, cove base installation, and baseboard and trim work for property upkeep and turnover projects.

Specialty Cleaning & Light Repairs

Pressure washing, tub and tile refinishing, minor carpentry, and light facility repairs that complement cleaning and make-ready assignments.

NAICS CODES

Painting and Wall Covering Contractors

PAST PERFORMANCE

Warner Robins Housing Authority
Supported housing operations through janitorial work, painting, and preparation of units between occupancies.

Convergint Technologies | Macon, Georgia
Provided cleaning for office spaces to support daily business operations and workplace presentation.

Consultants & Builders, Inc.
Performed cleaning following construction to prepare completed spaces for project handover.

KEY DIFFERENTIATORS

Coordinated Property Readiness

Cleaning, painting, flooring, and minor repairs available through one provider, reducing the number of vendors clients must coordinate for unit turns and interior refreshes.

Flexible Staffing Resources

Five-person core team with access to subcontractors and staffing partners to supplement crews as project schedules and location requirements change.

Equipment & Transportation Available

Cleaning equipment, supplies, and a work truck with a 6 × 10-foot cargo trailer support movement of materials and equipment between job sites.

Experience Across Facility Needs

Past assignments span housing turnovers, commercial office cleaning, and construction cleanup, supporting both ongoing maintenance and project-based work.
